WHY NLUO?

1. NLUO provides a platform for multi-dimensional learning experience which integrates rigorous academic, applied, practical and cross disciplinary perspectives to ensure a deep understanding of law in all its contexts.
2. We invest in quality legal research and promote an environment which allows exchange of intellectual thought process. Our law school is an incubator for nurturing scholarship and innovative ideas and inculcate analytical and critical thinking.
3. NLU Odisha students are trained by a group of experienced, dynamic, young and most significantly committed teachers. The teachers at NLUO are mostly alumni of the leading National Law Universities in India and reputed law schools abroad. They come from diverse background, having served in the office of the Chief Justice of India, practiced in law at Bar, served in civil society organisations, served in Indian Police Service and have headed various reputed educational institutions in the past. Our faculty is our pride and we are committed to invest in scholarship of our faculty so that you get the best in the country.
4. We provide state-of-art infrastructure like fully equipped library, 24 x 7 wi-fi enabled campus, audio-visual enabled class rooms and moot court hall, Seminar-cum-Convention Hall, Amphitheatre, Conference Hall, Gymnasium, Sports Complex, single bedded hostel rooms etc. to facilitate the smooth and enjoyable learning process.
5. To fulfil our social commitment, we organize legal aid camps in the villages across the State of Odisha in collaboration with the United Nations Development Program, High Court of Orissa and the District Judiciary. These programs are organized, coordinated entirely by the student

body in the supervision of law professors. This enables the students to learn the application of law and connect it with the principles of law taught in the classroom.

6. To multiply the effect of legal scholarship, we frequently organize lecture series/ seminars/ conferences/ workshops on diverse aspects of law and allied subjects by inviting scholars, practitioners, lawyers, judges, members of media who share their critical perspectives and experiences in the fields of law, politics, judiciary, economic affairs, international affairs, history and culture. This provides a platform for open dialogue between scholars, faculty and students and generates a healthy environment of cross-sectoral learning.

7. Distinguished and experienced scholars, judges, law practitioners and professors from other parts of the worlds visit NLUO every year and teach specialized courses and deliver guest lectures to our students. NLU Odisha has been conferred with a special autonomy to-conduct specialized courses under Global Initiative of Academic Network (GIAN) Programme as part of the Ministry of Human Resource, Government of India's Scheme. Prof. Jane K. Winn, Professor of Law, University of Washington School of Law, United States of America and Prof. Umakanth Varottil, Professor of Law, National University of Singapore, have already visited NLUO as part of this initiative to deliver lectures. Many more similar legal experts and scholars are expected to visit NLUO in the next academic session. This has become an integral part of NLUO's academic activities.

8. NLUO provides an excellent opportunity to students to hone their moot skills that includes drafting memoranda and presenting arguments. Students are also well supported to travel nationally and internationally to represent the

university in prestigious moot court competitions. The University has its own state-of-art moot court room facility. This has enabled our students to perform better in the South Asia Rounds Price Media Law Moot Court Competition, 2018 (as the Runners-up), First CCI NLU Delhi Competition Law Moot Court Competition, 2018 (Runners up and Best memorial), 59th Edition of Philip C.
